RESOURCE[®] HERBICIDE **EPA Reg. No. 59639-82**

FOR USE ON SOYBEANS AND FIELD CORN

REDUCTION OF CROP ROTATION RESTRICTION

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

READ ENTIRE LABEL. USE STRICTLY IN ACCORDANCE WITH PRECAUTIONARY STATEMENTS AND DIRECTIONS, AND WITH APPLICABLE STATE AND FEDERAL REGULATIONS.

ROTATIONAL RESTRICTIONS

Do not rotate to crops other than soybeans or field corn within 30 days after last RESOURCE Herbicide application.

DIRECTIONS FOR USE IN FIELD CORN

TIMING TO FIELD CORN

RESOURCE may be applied to field corn from the 2 leaf through the 10 leaf stage. Determine the leaf stage of corn by counting only those leaves with leaf collars visible. A temporary crop response may be observed following a postemergence broadcast application of RESOURCE. Corn quickly outgrows all initial herbicide effects. When RESOURCE is used as directed, corn yields will not be adversely affected.

TIMING TO WEEDS

Identify weed species as early as possible. Recommended rates, weed species and maximum weed heights for effective control with RESOURCE as a stand-alone broadcast or drop-nozzle application are indicated in Table 1 on the container label. Recommended tank mixes are listed in Table 2 on container label.

DIRECTIONS FOR USE IN SOYBEANS

TIMING TO SOYBEANS

RESOURCE may be applied to soybeans until 60 days prior to harvest. A temporary crop response may be observed following a postemergence broadcast application of RESOURCE. Soybean leaves that are open at the time of application may show some burn or spotting. Soybeans quickly outgrow all initial herbicide effects. When RESOURCE is used as directed, soybean yields will not be adversely affected.

TIMING TO WEEDS

Identify weed species as early as possible. Recommended rates, weed species, and maximum weed heights for effective control with RESOURCE as a stand-alone broadcast application are indicated in Table 4 on container label. Recommended tank mixes are listed in Table 5 on container label.

THIS LABELING MUST BE IN THE POSSESSION OF THE USER AT THE TIME OF APPLICATION. PLEASE REFER TO CONTAINER LABEL FOR ADDITIONAL PRECAUTIONARY STATEMENTS. FOLLOW ALL APPLICATION DIRECTIONS, RESTRICTIONS, AND PRECAUTIONS ON THE EPA REGISTERED LABEL.

PLEASE CONTACT VALENT U.S.A. CORPORATION AT 1-800-6-VALENT(682-5368) TO DETERMINE IF THIS USE IS REGISTERED IN YOUR STATE.
