

Three Effective Modes of Action for the Longest Lasting Control

Fierce® MTZ Herbicide contains three effective modes of action that provide the longest lasting residual control of the toughest broadleaf weeds and grasses.

- ▶ Protects fields with residual control for up to 8 weeks
- ▶ Controls tough and resistant weeds like Palmer amaranth, marestail, kochia and annual grasses
- ▶ Provides flexibility for crop rotation with limited carryover and rotational restrictions
- ▶ Liquid formulation provides easy mixing and loading, and consistent application
