

## Win the War Against Weeds with Fierce® MTZ Herbicide

Get the cleanest fields, no matter what seed system you use, with Fierce® MTZ Herbicide.

To give your fields a strong start and protect yields, *Fierce* MTZ contains three effective modes of action to deliver up to eight weeks of broad spectrum control—outlasting the germination period of tough, resistant small-seeded broadleaf weeds and grasses.

*Fierce* MTZ is a preemergence herbicide that provides effective control with a lower use rate than the competition.

- ▶ Controls tough and resistant small-seeded broadleaves and grasses
- ▶ Limited carryover and rotational restrictions
- ▶ Liquid formulation for easy mixing, loading and consistent application
- ▶ Protects fields with up to 8 weeks of residual control
