## Long-Lasting Mite Control on More Than 60 Crops

Zeal® Miticide<sup>1</sup> offers long-lasting control of Pacific spider mite, two-spotted spider mite, European red mite, Willamette mite and McDaniel spider mite in a single application.

- ▶ Proven commercial results on more than 60 different crops, including corn, cotton, grapes, hops, tree fruits, tree nuts and many other crops impacted by mites
- ▶ Affects all life stages of mites, including eggs
- ▶ Reliable and consistent mode of action (Group 10B) that is compatible with most IPM programs. Excellent fit in resistance management programs that include rotation or combination of different classes of chemistries.
- ▶ Translaminar—reaches mites where they hide, under the leaf
